	Statewide	140,387	156,080	160,705	14.5%	\$21.15

Emsi occupation employment data are based on final Emsi industry data and final Emsi staffing patterns. Wage estimates are based on Occupational Employment Statistics (QCEW and Non-QCEW Employees classes of worker) and the American Community Survey (Self-Employed and Extended Proprietors). Occupational wage estimates are also affected by county-level Emsi earnings by industry. This report uses state data from the following agencies: Oklahoma Employment Security Commission.
